8. OVMA Liaison: Jack Advent executive director of the OVMA provided an update on:

The OVMA has a lot of informational tools on www.ohiovma.org to help veterinarians with the new FDA animal feed directive. As a result of the passage of Senate Bill 319, all veterinary facilities will need to obtain a TDD license through the Pharmacy Board.

9. Executive Director Report:

- A. Directives – Ms. Stir reported that the November 2016 Board meeting directives have been completed.
- B. Legislation – Ms. Stir provided an update on a bill that had been introduced to consolidate several of the health care board in an effort to deal with the effects of the Supreme Court ruling in *North Carolina State Board of Examiners v. Federal Trade Commission*. HB 617 and SB 366 did not pass in this general assembly.
- C. Rules – Ms. Stir provided a copy of the Business Impact Analysis for proposed rules for change as well as the Business Impact Analysis for no change rules. Since there were no objections or concerns, the Business Impact Analysis and rules will be submitted to the Lt. Governor’s Common Sense Initiative Office. An addition to the amended packet of rules was Rule 4741-1-01 OAC which removes the requirement for the paper application for the registered veterinary technician. This action is preparing for the new E-Licensing system to be implemented in 2017.
- D. Newsletter – The Board members were provided a copy of the 2016-17 Newsletter for approval. The Board members approved by consensus.
- E. Monitoring Update – Ms. Stir provided an update on the compliance of those under monitoring terms as a result of Settlement Agreements or Adjudication Orders. To date, all participants are compliant.
