

CE FORM

This form must be completed and mailed with your renewal application. Please use blue or black ink and legibly print or type. Also, read the directions for CE reporting found on the reverse side of the license renewal application. The board recommends that you review the rules pertaining to acceptable CE activities before completing this form. If space provided is insufficient for you to fully report your required CE, you may copy this form. **Document only the number of hours necessary to renew your license.**
