

## **Specialist Certificate Requirements**

Section 4741.19(D) states that a veterinarian licensed to practice in this state shall not present the person's self as or state a claim that the person is a specialist unless the veterinarian has previously met the requirements for certification by a specialty organization recognized by the American Board of Veterinary Specialties or such other requirements found in 4741-1-02 OAC and has paid the fees required.

The following must be submitted with this completed application:

- Submit the \$50 fee.
- Provide a copy of your certificate or letter of certification from the Veterinary Specialty Board.

All applications with the Board expire after 6 months of no activity.
