

Business Facility Permit Requirements

You must meet the following requirements to receive an Ohio veterinary license. If you do not meet the following requirements within six (6) months of the Board receiving your application, your application will be considered incomplete. Please note: your application fee still remains non-refundable. You will be required to resubmit your application and application fee once you have met all requirements.

This license only pertains to: A for-profit business entity of which a majority controlling interest is vested in individuals who are not Ohio licensed veterinarians. A nonprofit entity of which a majority of the members of the board of directors are not Ohio licensed veterinarians.

The following is required in this application:

- The name and address of the veterinary business facility
- The name and address of each licensed veterinarian who is a resident of this state and who will be responsible for the management of the provision of veterinary services at the veterinary business facility
- The name and address of the entity that owns, operates, or controls the veterinary business facility and, if the entity is a subsidiary of another entity, the name of its parent entity
- Submit a fee: \$300.00. All applications will be charged a \$3.50 transaction fee as well.
